This Month's Topic: Supporting the Educational Needs of our Children & Youth

Join Vermont Family Network on **September 18th** from **12-1pm**

◆ *Do you have questions about how recent changes to Special Education laws might affect your child or youth?*

◆ *Are you interested in learning more about IEPs, 504 Plans, or Tiered Supports available in Schools?*

◆ *Do you know what supports are available in Vermont to help you ensure your child or youth accessing the services they need at school?*

Navigating the special education system when your child has physical, cognitive, behavioral, or emotional needs can be challenging. Vermont Family Network (VFN) works to empower and support all Vermont children, youth, and families, especially those with disabilities or special needs. In this session, VFN will share information and answer your questions on this important topic.

Let's share ideas with each other in a relaxed setting. Bring your lunch, share your thoughts, and ask questions.

Open to adoptive, guardianship, kinship, & foster caregivers, prospective caregivers, and the professionals that support them.

While this series is free pre-registration is required.
