**How comfortable are you having these conversations?
Are you worried about the impact on your child?**

JOIN: Nancy Birge, LICSW

ON: Wednesday, September 18th

FROM: 5:30—7:30 pm

AT: DCF—Family Services Office

426 Industrial Avenue, Suite 140, Williston

Learn what's important to talk about with your child and why

And practice these conversations safely and with support so that you are ready when you go home.

Together we will:

- ⇒ discuss how to provide your child with their history—even if it's a difficult one
- ⇒ Learn how to talk about your child's birth family honestly and proactively.
- ⇒ Get help with how to empower your child in telling and/or keeping their story private.
- ⇒ *Dinner will be provided!*
